## Featured Wines by the Glass

Poured from - Coravin™ Wine Access Technology

Marsanne 2011 **Tallulah** 15/62 "Como", Napa, California

**124 cases produced-**

From winemaker Mike Drash, this full-bodied, buttery, oaky Marsanne is perfect for Napa Chardonnay or Rhone white fans alike. Aged in 40 percent new French oak, this wine has notes of wildflowers, lemon zest, pineapple and mango, with a distinct freshness, minerality, and rich mouthfeel.

Chardonnay 2012 **Domaine Ferret** 19/76 Pouilly-Fuissé, Burgundy, France

**90 Points Robert Parker-**

Great balance between weight and freshness, with elegance derived from seamless minerality. Layers of subtle fruit notes combine stone fruits, acacia flowers and spiced hazelnut butter. The finish is long, intense and spicy. A wine whose balance permits it to age gracefully.

Pinot Noir 2009 **Hirsch Vineyards** 24/95 Sonoma Coast, California

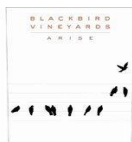

**92 Points Robert Parker-**

"San Andreas Fault"

Upon opening, cherry, raspberries, figs and cola on the nose, with floral notes of lavender and orange blossom. Evolving with air to show forest floor and licorice. On the palate, bright red fruit and a brambly juiciness are supported by profound tannins and an exceptional acidity.

Merlot/CF/CS 2011 **Blackbird Vineyards** 22/88 "Arise", Napa, California

**94 Points - Wine Enthusist**

"A glorious wine. Based on Merlot, with nearly equal parts of the two Cabernets, it's softly smooth and delicious right now. Totally bone dry, yet rich and sweet in cherries, berries, chocolate and cedar, it satisfies on every level..."  
Complex aromatics of cherry and mint, and a long, floral finish.

Cabernet Sauvignon 2011 **Efeste** 23/92 "Big Papa", Columbia Valley, Washington

**94 Points - Wine Advocate**

Big fruit, big oak, big mouthfeel. The nose displays chocolate, black currants licorice spice, blueberry and dark cherry, with toasted vanilla and herbs in the background. Rich, complex, and with a great acidity, the tannins linger enticingly as the finish opens up.
